# Program Information

## Purpose:

This comprehensive symposium will focus on special challenges in clinical research.

## Objectives:

Participants will be able to:

- Apply good clinical practice guidelines in complex clinical trial environments.
- Identify the components of a comprehensive quality assurance program.
- Gain strategies for enhancing subject recruitment and retention.
- Describe the ethical dilemmas and regulatory challenges of developing new drug products in a global economy.
- Appreciate perspectives of various clinical trial cast members on hot-topic issues.
- Understand and utilize Medicare Coverage Guidelines in conducting fiscally compliant clinical research.
- Gain knowledge and inspiration for efforts to increase awareness and provide culturally sensitive care to the African-American community.

## Target Audience:

Includes a wide array of professionals working within the field of clinical research.

## Accreditation Statement:

The University of Kentucky, College of Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (ANCC).

The Kentucky Board of Nursing (KBN) approves The University of Kentucky, College of Nursing (UKCON) as a provider as well. ANCC and KBN approval of a continuing nursing education provider does not constitute endorsement of program content nor commercial sponsors. This educational activity is offered for a maximum of 6.2 ANCC and 7.4 KBN contact hours for nurses who complete the entire program. Provider #: 3-0008-01-13-081. A certificate will be issued to participants upon completion of this activity.

An Equal Opportunity University  
Non-profit Organization
