APPLICATION TO DROP A COURSE

1. Submitted by the College of Health Sciences  
   Date: 6/15/02
   Department/Division offering course: Rehabilitation Sciences/Communication Disorders

2. Prefix & number: CD 511  
   Title: Sp-Lang Dev & Dis for Severely Handicapped  
   Credits: 3

3. Effective Date: Summer 2003  
   (semester & year)

4. Why is this course to be dropped?

   The entire Communication Disorders curriculum, undergraduate and graduate, is being revised. This course has not been taught for several years and there is no reason to expect that it will ever need to be taught. The course content originally contained in this course is presently being covered in CD 514 & CD 515 and will be covered in CD 410, CD 647, and CD 648 in the proposed curriculum. Please see summary documentation that explains in detail the entire revision.

   This course is also cross-listed with special education as EDS 511. It is not a required course in the special education curriculum, and the Dept. Chair stated that he did not anticipate ever needing the course. His signature of approval is on the original application form. Please see the summary of the proposed curriculum revision for details.

5. Will dropping this course change the degree requirements in one or more programs?  
   No
   If yes, explain the change(s) below.
   Although this course is listed in the catalog, it is not listed as a required course in communication disorders or in special education and has not been taught for many years.

6. Has the course been taken by a significant number of students in other departments/colleges?  
   No
   a. If yes, list the college(s) or department(s) from which student enrollment in this course has come, if known.
      Students in special education used to take the course. As mentioned previously, it has not been a required course in special education for many years.
   b. What provision has been made for meeting the needs of these students?  
      Not necessary; this course is no longer required in the special education curriculum

7. Is this course in current use in any of the Community Colleges?  
   No
   If so, please submit evidence (e.g., correspondence) that the Community College System has been consulted. N/A

8. Is this course currently included in the University Studies Program?  
   No

9. Within the department, who should be contacted for further information about this proposal?
