APPLICATION TO DROP A COURSE

1. Submitted by the College of Health Sciences Date: 6/15/02
   Department/Division offering course: Rehabilitation Sciences/Communication Disorders

2. Prefix & number: CD 515 Title: Language Assessment & Remediation Credits: 3

3. Effective Date: Summer, 2004 (semester & year)

8. Why is this course to be dropped?

   The entire Communication Disorders curriculum, undergraduate and graduate, is being revised to reflect changes in: 1) current practice; 2) accreditation guidelines from the American Speech-Language-Hearing Association that emphasize normal processes in speech, language, and hearing at the undergraduate level and assessment and intervention for communication disabilities at the graduate level; and 3) state legislation regarding the training of speech-language pathology assistants. This course is being dropped because of the planned de-emphasis on assessment and intervention for communication disabilities at the undergraduate level. Basic content will be in CD 483, while the remaining content will be incorporated into graduate courses (CD 647 & CD 648). Please see summary for details about the revision.

9. Will dropping this course change the degree requirements in one or more programs?*
   Yes
   If yes, explain the change(s) below.

   This course is no longer required for a B.H.S in Communication Disorders. Undergraduate and graduate program revisions are being submitted concurrently and involve significant changes. Please refer to the summary documentation for details.
