APPLICATION TO DROP A COURSE

1. Submitted by the College of Health Sciences  Date: 6/15/02
   Department/Division offering course: Rehabilitation Sciences/Communication Disorders

2. Prefix & number: CD 672  Title: Neurogenic Disorders of Language  Credits: 3

3. Effective Date: Summer, 2003  (semester & year)

4. Why is this course to be dropped?

   The entire Communication Disorders curriculum, undergraduate and graduate, is being revised. In keeping with current trends in the profession, essential course content is being incorporated in other courses and updated and expanded in a new course (CD 677) in the graduate program. Please see summary documentation that explains in detail the entire curriculum revision.

5. Will dropping this course change the degree requirements in one or more programs?* Yes  
   If yes, explain the change(s) below.

   This course will no longer be required for the Master's Degree in Communication Disorders. The revised undergraduate and graduate curricula are being submitted concurrently and both involve significant changes. Please refer to the summary documentation for details of the program revision.

6. Has the course been taken by a significant number of students in other departments/colleges?  No  
   a. If yes, list the college(s) or department(s) from which student enrollment in this course has come, if known.  N/A
   b. What provision has been made for meeting the needs of these students?  N/A

7. Is this course in current use in any of the Community Colleges?  No  
   If so, please submit evidence (e.g., correspondence) that the Community College System has been consulted.  N/A

8. Is this course currently included in the University Studies Program?  No

9. Within the department, who should be contacted for further information about this proposal?
   Jodelle F. Deem, Ph.D.  257-7923

*Note: Approval of this change will constitute approval of the program change unless other program modifications proposed.
