6. What has prompted this proposal?
   This change is part of a complete undergraduate and graduate curriculum revision proposal for the Communication Disorders Division. Most courses in normal development will be offered during the junior year. The change in course number from 514 to 410 better reflects the placement of this course in the required sequence of courses. Please refer to the program summary for details.

6. If there are to be significant changes in the content or teaching objectives of this course, indicate changes: NA

7. What other departments could be affected by the proposed change? NA

8. Will changing this course change the degree requirements in one or more programs? Yes
   If yes, please attach an explanation of the change.*
   CD 410 will be required for a B.H.S. in Communication Disorders and will replace CD 514 as a requirement. Please refer to the program summary that details the curriculum revision.

9. Is this course currently included in the University Studies Program? No

10. If the course is a 100-200 level course, please submit evidence (e.g., correspondence) that the Community College System has been consulted.
NOTE: Approval of this change will constitute approval of the program change unless other program modifications are proposed.

11. Is this a minor change? No
   (NOTE: See the description on this form of what constitutes a minor change. Minor changes are sent directly from the Dean of the College to the Chair of the Senate Council. If the latter deems the change to be minor, it will be sent to the appropriate Council for normal processing.)

12. Within the Department, who should be contacted for further information about the proposed course?
   Name: Sharon Stewart or Jodelle Deem Phone Extension: 257-8884 or 257-7923
