Rev 11/98
SPH 729
Independent Studies in Environmental and
Occupational Health (1-3)

Course description:
Designed for advanced students with research or special study interests in Environmental and Occupational Health. Students are under guidance and confer individually with faculty on approved topic(s). A written report or paper is expected and will be filed in the chairperson's office.

Prerequisite:
Enrollment in the School of Public Health, or consent of instructor.

Course Credit:
The course is offered for variable credit of 1 to 3 semester hours and may be repeated to a maximum of six semester hours under different subtitles.

Course work:
Topics will be selected in consultation with the designated faculty instructor, and a standardized form will be completed defining the study topic, learning objectives, assignments, and criteria for grading.

Course Grading:
Course grading will be based upon the criteria stated in the University Bulletin.
