Proposed change in Bulletin description:
(a) Present description (including prerequisite(s):
Knowledge of families, pre-conception through adolescence, leadership, and clinical skills are applied to provide advanced nursing care to a selected population. Emphasis is placed on maximizing health and resolving actual or potential health problems for the individual and the family. Analysis of system problems in health care delivery is conducted through clinical practice.

Pre-requisites: NUR 712 and NUR 713

(b) New description:
N/A

(c) Prerequisite(s) for course as changed: No change

5. What has prompted this proposal?
Proposed new Neonatal Nurse Practitioner Track – within the College of Nursing’s MSN program. Students in the Neonatal Nurse Practitioner subspecialty will be required to take 2 credits of clinical practicum but will not take the additional 2 credits of didactic because the didactic course work will be transferred in from the University of Louisville.

6. If there are to be significant changes in the content or teaching objectives of this course, indicate changes:
None

7. What other departments could be affected by the proposed change?
None

8. Is this course applicable to the requirements for at least one degree or certificate at the University of Kentucky? X Yes □ No

9. Will changing this course change the degree requirements in one or more programs?*
If yes, please attach an explanation of the change.*
The requested course changes in NUR 713 and NUR 714 will permit neonatal nurse practitioner students to complete some of the clinical requirements for their subspecialty in these courses. Neonatal nurse practitioner students will take the clinical credits in each course and will supplement those credits with didactic specialty coursework at the University of Louisville. They will receive clinical supervision from University of Kentucky College of Nursing faculty members and preceptors.
We request changing the course to variable credit (2-4 credits) with students in the neonatal nurse practitioner track taking only 2 credits of clinical practicum.

10. Is this course currently included in the University Studies Program?  
   If yes, please attach correspondence indicating concurrence of the University Studies Committee.  
   [ ] Yes  [X] No

11. If the course is a 100-200 level course, please submit evidence (e.g., correspondence) that the Community College System has been consulted.

*NOTE: Approval of this change will constitute approval of the program change unless other program modifications are proposed.
