UNIVERSITY OF KENTUCKY
APPLICATION TO DROP A COURSE

1. Submitted by College of Arts & Sciences _____________________________ Date Feb. 3, 2006

Department/Division offering course Political Science _____________________________

2. Prefix and Number PS 467G _____________________________ Title The U.S. Supreme Court _____________________________ Credits 3

3. Effective Date Fall 2006 _____________________________ (semester & year)

4. Why is the course to be dropped?

All of our scholars in Judicial Politics agree that this course is no longer necessary. The SCOTUS plays such a
dominant role in our other pre-law courses that a separate course on the institution isn't necessary. The central material
will be moved into the modified version of PS 463G, which is shedding its introductory material (see proposal).

5. Will dropping this course change the degree requirements in one or more programs?* □ Yes □ No
If yes, explain the change(s) below

Except insofar as there's one less option for generic PS major requirements.

6. Has the course been taken by a significant number of students in other departments/colleges? □ Yes □ No

   a. If yes, list the college(s) or department(s) from which student enrollment in this course has come, if known.
      Varies widely, but History and English probably most common. Little or no graduate enrollment.

   b. What provision has been made for meeting the needs of these students?
      The creation of PS 360 would more than serve any undergraduate needs in law, courts, and the judiciary.
      Plus we intend to offer our remaining pre-law courses more frequently.

7. Is this course in current use in any of the Community Colleges? □ Yes □ No
   If so, please submit evidence (e.g., correspondence) that the Community College System has been consulted.

8. Is this course currently included in the University Studies Program? □ Yes □ No

9. Within the Department, who should be contacted for further information about this proposal?
