(The Thesis Approval form is incorporated into the above online form)

Conduct a review of your transcript to insure you don’t have any missing grades; I grades and
your GPA is 3.00 or higher. Graduate School policy will not allow you to sit for the exam if you
have unresolved academic issues.

The final examination must take place no later than eight days prior to the last day of classes of
the semester in which the student expects to graduate. Final examinations may not be scheduled
during the period between semesters or between the end of the eight-week summer session and
the beginning of the fall semester. Consult the Academic Calendar
(http://www.uky.edu/Registrar/AcademicCalendar.htm) for deadlines for the scheduling of final
examinations.

Thesis:

You have 60 days following the date of your defense to submit your final, accepted document to the
Graduate School. You will not have the entire 60 days if you defend late in the semester and need to graduate
that semester (check http://www.uky.edu/Registrar/AcademicCalendar.htm for submission deadlines). Prior to
final submission you must have your thesis reviewed by the Graduate School for a first format check. This
process takes about 48 hours but may take longer during peak periods, especially during the end of the semester.
Please plan accordingly.
