

A maximum of nine semester hours may be transferred into a doctoral degree program to partly satisfy pre-qualifying residency requirement if a prior earned Master's degree is not also used for this purpose. Eligible hours include all post-baccalaureate work taken at another regionally-accredited university or as a student in another graduate program at the University of Kentucky. The following rules apply: course credits applied toward a previously awarded graduate degree cannot be transferred; transfer of independent work, research, thesis or dissertation credit is not permitted; only courses assigned a B grade or better can be transferred; short courses lasting fewer weeks than the number of credits may not be transferred; students must be in good academic standing at the time of transfer; courses must have been taken in graduate status.
