

Undergraduate Research Experience in Functional Materials

at the
CENTER OF MEMBRANE SCIENCES
UNIVERSITY OF KENTUCKY
(funded by the National Science Foundation)

Students interested in research in **Chemistry, Materials & Polymers, or Chemical Engineering** are invited to apply. The summer program will run from **May 19 to July 25, 2008**, and will provide a **\$4,500 stipend**, plus campus housing, and allowable relocation expenses. In addition, funds are available for a trip to a scientific meeting for each participant.

Requirements: Students should be U.S. citizens or permanent residents. Applicants should have a GPA of 3.0 or better, and should have completed their sophomore or junior year by the beginning of the summer program.

Application form and further information can be downloaded from <http://www.research.uky.edu/Membrane/REU/index.html>

Applications can also be obtained by contacting: Ms. Mollie Fraim, c/o REU Selection Committee, phone: (859) 257-5875; fax: (859) 257-5876; e-mail: mfrai2@uky.edu.

Deadline: Applications are due by **February 29, 2008**.
