1:30-3:30

Light refreshments will be served

This year the Office of Research Integrity (ORI) will be offering several brief informational sessions about IRB review process.

In this presentation, ORI's Research Education Specialist Tamara Arrington will present an overview of IRB Continuation Review at the University of Kentucky.

Some of the issues covered will include:

- Office of Human Research Protection (OHRP) and FDA requirements
- Completing the Continuation Review application
- Criteria for IRB Continuation Review
- Types of materials required for review
- What to include in a progress report or summary
- Lapses of approval, termination, or final review
- Frequently asked questions
- Contacts and assistance within ORI

Investigators, study coordinators, faculty, and graduate students from any department or discipline are invited to attend.

Following the presentation, there will be time available for addressing questions concerning Continuation Review.

If you would like to attend this meeting, please RSVP by May 17th to Crystal May in the Office of Research Integrity at (859)257-9428.
