

## DEPARTMENT OF **CHEMISTRY SEMINAR**

### WITH FEATURED SPEAKER

**RAFAEL RADI, MD, PhD**

Professor and Chair of Biochemistry

Director, Centro de Investigaciones Biomedicas

Department of Biochemistry, University of the Republic, Montevideo, Uruguay

Member, National Academy of Sciences of the USA

**TUESDAY, MARCH 3, 2020**

9:30AM - 10:30AM

W.T. YOUNG LIBRARY AUDITORIUM

### *Biochemistry of Peroxynitrite and Protein Tyrosine Nitration*

In this presentation, I will scrutinize the free radical mechanisms that lead to protein tyrosine nitration *in vitro* and *in vivo* and how this post-translational process may impact protein structure and function.
