

Obtaining Coverage For Non-Indemnified Clinical Trials and Clinical Research in Participant's Homes

DATE
Tuesday,
September 15, 2020

TIME
12:30-1:30 pm
via Zoom

Presented by:
Clifton Iler,
Deputy General Counsel
Faculty, Students, and Research Group,
Office of Legal Counsel

Key objectives:

- To describe the process for getting coverage for non-indemnified clinical research under the University Self Insurance Program.
- To describe the process if you are going into a participant's home for clinical research

REGISTRATION REQUIRED:

Please register in advance for this meeting.

After registering, you will receive a confirmation email containing a calendar invite and information for joining this ZOOM meeting.
