

E-Verify

The E-Verify clause will be included on the following federal contracts and subcontracts:

- Contracts with a performance longer than 120 days and a value above the simplified acquisition threshold of \$250,000
- Subcontracts for services or for construction with a value over \$3,000
- Indefinite-delivery/indefinite-quantity contracts.

The following individuals will need to be screened through E-Verify:

- Current employees who will perform work on the contract must be screened 30 days from the date the individual is placed on the contract
- New employees hired to work on the contract must be screened within 3 days of their hire date.

Exceptions, instructions, and more information is available on [UK HR E-Verify Process](#).
