

Final Activities Report

The Final Activities Report should be completed in the year following the end of the sponsored project. Please note that even though the sponsored project ended, your responsibility to disclose your conflict continues. Should you decide to re-evaluate this project's findings at a later date, please send any presentations or publications to the Research Conflict of Interest Committee for review in advance of publication or presentation.

Investigator(s):

Title of Project:

Sponsor:

Annual Report Due Date:
